Refugee Education Experience

Let your learners take part in an imaginary journey as a child refugee - from leaving home to life in a refugee camp.

This immersive experience is designed to elicit empathy and understanding whilst developing problem-solving skills. Our key stage 2 version also develops literacy and numeracy skills.

Naked Teaching Day

Stick the supplies back in the store cupboard, unleash your inventiveness and undress your lessons!

Naked Teaching Day takes place every September to raise awareness of and funds for children who attend makeshift schools in slums, under bridges, under trees and in refugee camps.
